Chairman's Comments

Precept 2015

After much discussion I pleased to report that for the 5th year in succession, the Parish Council has decided to decrease the total by £500 to £16,500 for the coming year.

We continue to hold a Reserve as per our audit requirements, and in order to find any extraordinary or unforeseen projects in the year.

Proposed Increase in tolls at Whitchurch Bridge.

The Parish Council, along with many interested parties has written to the Secretary of State for Transport to voice our opposition and ask for a Public Enquiry.

The Department has acknowledged the correspondence and we await their next step.

Litter Blitz

A simple but always effective working party for all of the parish to get involved with.

Saturday 14th March

From 10.00 to 12.00 am with a number of starting points around the parish (see article - Tim if you could give the page no) it would be great to see as many as possible lend a hand to tidy the verges of litter in our lovely parish.

Annual Public Meeting

Thursday 9th April 8.00 pm at the Parish Hall

All are welcome to attend and ask questions of all your parish councillors. With an election coming in May, what better time.

We will also be running a presentation on a project to restore the War Memorial.

Chairman**

OWL (Our Woodcote Library)

Volunteers have been training at Oxford and have taken part in a welcome and orientation evening. The rota has been in operation since mid January and staff are busy training volunteers in the library so that when the new system starts on March 30th all will go smoothly.

We'd like to thank the Rally for the generous donation made to OWL, which will help to cover the incidental costs we will have and you should see the results in the library.

Our Annual General meeting will be on Monday March 2nd in the library at 7pm and we welcome all to join us.

Crays Pond

The ecologists have completed their survey of Crays Pond and its surrounding environs.

The full report can be viewed on the website www.goringheath.com

The PC was very pleased to read that the water quality has continued to improve. as a result of the construction of the drainage swales that interrupt the flow of surface water from the road into the pond.

I will produce a synopsis of the main points of the report in the next edition of the Newsletter.

Whitchurch and Goring Heath Twinning Association

This year we will be receiving a party from La Bouille over the weekend 2nd to 4th May. Everyone who would like to be involved will be very welcome. To find out more please come to our Annual General Meeting on Friday 13th February in the Old Rectory Stables at 7.30pm. Refreshments will be available.

It will be over 37 years since the twinning association came together, after Tim Claxton stumbled on the pretty village by the Seine when he was on the way to Le Mans. Many friendships have grown up over these years so that the village near Rouen has become an extension of our own.

To ensure future ties we would like to involve new people from our villages. Most of us get by without a great knowledge of French, and we are on an equal footing, as most of our visitors will not have a great knowledge of English. But it seems to work.

There will be more information in later editions of the newsletters.

WHITCHURCH HILL WOMEN'S INSTITUTE

In our January meeting we enjoyed a talk "My Mother and the WI" – Sir Hugo Brunner spoke about his mother, Lady Brunner and her long connection with the WI. Prior to her marriage to Sir Felix Brunner, she had followed in her mother's footsteps, and those of her father and grandfather onto the stage where she made her debut at the age of sixteen. After her marriage she devoted herself to many local causes. They lived at Greys Court, now a National Trust property where the public can enter and enjoy the atmosphere and history of the house, and the family history.

This year is the centenary of the Women's Institute, and many events are taking place in our area, including the handover of the baton which has been travelling round the country, in April.

Our speaker programme for this current year is almost complete, and will include varied delights such as a talk from the Miller of Mapledurham, Georgian Cookery, Paintings of World War I and a session of Tai Chi.

Our meetings are held on the third Tuesday of the month, except for December and August, at Goring Heath Parish Hall at 10am. Visitors are welcome, and for further information please telephone 0118 984 1696 or email : pmdent@btinternet.com

Hedge at the Parish Hall Car Park

Over the weekend at the end of January, the Parish Council, in collaboration with the Chilterns Conservation Board (CCB), hosted a two day Hedge Laying training course at the Parish Hall Car Park.

The hedge, of mixed native species with standard hedgerow trees, was planted in the late 1990's and has had only minimal maintenance since then. Because of the height and thickness, it was decided to lay it in the South of England style rather than Midland, which would have been more common hereabouts. (This S of E style was more suited to sheep country rather than the Midland cattle and arable farms).

Seven trainees, and Peter Dragonetti as a volunteer, tackled an ominous challenge over the weekend and got a difficult hedge down to what is now a 'proper job'.

Myself and former Champion hedgelayers Nigel Adams were trainers and Neil Jackson of CCB an invaluable assistant.

Thanks to Mrs J. Hedgcock for accommodating the waste brush in her field, and to Jon Hatt for removing it later.

Logs for Labour

Would you like free firewood, or do you have a woodland that needs managing?

The Trust for Oxfordshire's Environment's "Logs for Labour" programme aims to promote sustainable use of woodfuel by running events where volunteers help to manage woodlands in return for logs. The events are 2-3 hours long and could involve coppicing hazel, thinning trees, or piling up brash. Bring sturdy gloves, shoes and a saw (hand tools only allowed)... or let us know if your woodland needs the help of volunteers.

Information about forthcoming events is at www.oxonwoodfuel.org.uk, or 'like' us at www.facebook.com/oxonwood.

Residents of Henley and Didcot to benefit from new service

Oxfordshire Mind's specialist Benefits for Better Mental Health team give anyone with a mental health problem expert advice and guidance to help them navigate the complex benefits system.

Now the Oxfordshire Mind Benefits team are working more closely with Didcot/Henley Citizens Advice Bureau, as part of the Tap-In Advice Service across South Oxfordshire and the Vale of the White Horse. David Bryceland, Oxfordshire Mind's Benefits Project Service Manager, explained what the team can do to help people having problems with their benefits:

"We often get people visiting our service who are very confused about the benefits system and who are worried that their current benefits could be taken away. Our team will work one-to-one with that person to give them a thorough 'benefits health check' to make sure they are claiming everything that they're entitled to. We can explain what the letters they receive actually mean and resolve any problems they might be experiencing. We can also help them complete the right forms and make difficult phone calls.

"As we work with people with mental health problems, we have a lot of experience in helping people apply for Employment Support Allowance (ESA) and Personal Independence Payments. We also have an excellent track record of winning appeals when people have been turned down for ESA."

The Benefits team will be working out of both the Didcot CAB and Henley CAB twice every month. Anyone who has a mental health problem and would like their advice should make an appointment by either contacting their local CAB or by ringing the Benefits for Better Mental Health hotline (Mondays to Thursdays, 10am to 1pm) on 01865 243585.

In or around Henley, call Adviceline on 08444 111 444 or drop in to your nearest Citizens Advice Bureau, which is located at 32 Market Place, Henley-on-Thames RG9 2AH. For opening hours, see www.caox.org.uk

Messing about on the river

For the last 4 years volunteers have been assisting our Lock Staff on the Thames at the 45 locks along its length between Lechlade and Teddington. Now, ahead of our fifth season, we invite you to apply to become a Volunteer Assistant Lock Keeper at a lock near you.

The Environment Agency, which is navigation authority for the Thames, is now recruiting for the 2015 season and are looking for volunteers who can commit to assisting at least one day a week between May and the end of September. Volunteers can agree their days with lock keepers but need to be available from 10 to 5. Volunteering is a great way to meet people and to find out more about the Thames, its history, wildlife and management. At the same time volunteers know that they are doing something worthwhile that is really appreciated.

Our Volunteer Assistant Lock Keepers work alongside paid lock keepers. They help boats pass through the lock safely: taking ropes, directing traffic, and operating sluices and lock gates. They help maintain the site: painting, tidying and gardening. They provide information to visitors, be they on foot or afloat, so that they can make the best of their time on the river. Visitors really appreciate the local knowledge that volunteers can provide.

All applicants are invited to an assessment at a local lock. Here they will have the role explained to them and be shown what it involves in practical terms. They will also be assessed to decide which site may be most appropriate for them and to ensure that they have the physical capabilities required. After successful completion of the assessment, they attend an induction course which focuses on safety and preparing them for the lock side.

On the lock side the volunteers follow a documented training programme before being signed off to take charge of the lock on their own. This will only be for short periods, while the paid keeper is at lunch for example.

Volunteers are provided with uniform and can claim mileage for travel to and from a lock local to them. They also receive a monthly newsletter which keeps them in touch with what is going on along the river and other activities of the Environment Agency.

If you would like to find out more about volunteering on the Thames and to receive an information pack and application form, please contact the Volunteer team on 01491 828360 or email thames.volunteers@environment-agency.gov.uk
